

Pursue your Education in Comfortable Surroundings.

Did you know that there's a great gathering place in your community where you can access all sorts of distance learning resources to help you achieve your educational goals? It's like an education café. A place where you can feel comfortable and make yourself at home.

It's all made possible thanks to Alberta-North, a partnership of seven post-secondary schools that brings courses and educational services to people just like you in Northern Alberta and the Northwest Territories.

Community Access Points Bridge the Gap

The key feature of Alberta-North is a vast network of Community Access Points, also known as CAP sites. There are over 85 CAP sites located across Alberta and the Northwest Territories.

Simply locate the CAP site that's near you, and you're set to open new doors for your educational future! We'll help you access quality distance education courses from your home, workplace or a CAP site.

Tap into a Variety of CAP Resources

Each CAP site is managed by a CAP Coordinator who will help you with your distance education needs. You'll no doubt have plenty of questions, and we're here to provide the answers. CAP services include:

General Information

Get more details about careers, educational planning, funding and scholarships, programs and courses, admissions, schedules, distance education and more.

Technology Access

We provide computers, Internet and education technologies for you to use. If you're new to using these types of technologies, there's no need to worry, we're here to help!

Learning Support

We'll help you contact counsellors for career, financial and educational planning, schedule placement tests, and also assist you in developing skills such as time management, research, computer basics and exam preparation.

Exam Supervision

Many courses require supervised tests. We provide quiet space and supervision for your exams.

Study Resources

Select from print or online reference resources, online catalogues and specialized databases from the libraries of the seven Alberta-North partners. Access the best website resources available for information and tutorials on life, work and study topics.

Choose from Hundreds of Course Options

There's a wide range of courses to select from. Options include Academic Upgrading, Business, Education, Health Services, Human Services, Trades and Technology, University and Graduate Studies, and many more.

And there's a variety of course delivery methods that will be utilized, depending on the course. Delivery methods include online learning, correspondence, video conferencing, and more.
